Reputation & Recognition
HKU has established a solid reputation as a premier international university and a member of the global family of universities.

The London & New York Connection: An Expanded Global Vision
The unique partnerships with world-renowned business schools such as London Business School and Columbia Business School provide our students with unmatched opportunities in terms of educational experience and networking.

Regional Perspective in the Heart of Asia with Strong China Focus
Our dual focus on Asia and China business renders the programme highly relevant to the wider region’s dynamic, ever-evolving business environment. The China focus is achieved through regional case studies, field trips, seminars and conferences as well as company visits.

1 Year Intensive Programme
Being part of our intensive MBA programme, you will only have to unplug from your career for 1 year. Our flexible structure also allows you to tailor your perfect MBA journey by selecting your favourite electives and going to the suitable track that fits your career goals.

China Immersion Programme
Students will visit various cities in China during their first nine months with HKU MBA. They will be given an eye-opening opportunity to experience the country from different perspectives: from indulging themselves in the cultural richness to experiencing the world’s leading technology.

Case-Based Approach
The HKU MBA programme adopts an experiential-learning approach, with the extensive use of business cases that enables students to become effective problem solvers and decision makers. These cases are written by our own professors and are published by our renowned Asia Case Research Centre (www.acrc.org.hk).

Personalised Career Services
Throughout your MBA journey, the Career Development & Training Team will work closely with you to provide career advice and guidance, enhancing your professional and personal skills and equipping you with network connections to relevant corporate and recruitment partners.

Entrepreneurial Incubation Lab
HKU MBA partners with Cyberport Academy, part of Hong Kong’s largest startup incubation hub to conduct the Entrepreneurial Incubation Lab course. The course aims to build up entrepreneurs’ mentality that leverage on the training, cultivate the capabilities of start-up founders to identify the market opportunities, and to engage in practical workshops to develop investor decks and present start-up pitch.

Small Class Size & Collaborative Culture
The programme’s relatively small class size, along with the diversity of profiles among class members, allows for extensive interaction and collaboration.

Diverse and Contemporary Elective Selection
Your MBA electives are often taught by industry practitioners to bring in real-world experience and experienced professors to solidify your management framework. Our elective courses include: Artificial Intelligence for Business Leaders, Insights & Lessons: Reflections of a CEO, Online Business Strategy, Marketing for Tech-Intensive Industries.

Extensive Alumni network
HKU has more than 245,000 alumni at the forefront of community life in Hong Kong, providing leadership in commerce and industry, in government, in education, and in the arts, sciences and culture.

Alumni Lifelong Learning
In order to equip our alumni with new knowledge and further strengthen their MBA networks, HKU Business School offers our alumni the chance to enroll in one elective per academic year to continuously enhance their knowledge and stay connected to the business school. No course enrollment fee will be charged.

Mentorship Programme
This programme connects current students to senior professionals to build mentor-mentee relationships. Students can obtain real-life business knowledge from senior executives and top business leaders. The real case sharing and professional insights from experienced mentors offer students an engaging and enriching learning experience.
The HKU MBA Career Development & Training (CDT) Team works closely with MBA students throughout their MBA journey to provide career advice and guidance, enhancing their professional and personal skills and equipping them with network connections to relevant corporate and recruitment partners. Our team consists of seasoned professionals experienced in career coaching and employer engagement, enabling students to realise their unique career visions throughout their MBA journey.

**First and Foremost**

As the oldest tertiary education institution in Hong Kong, the University now has more than 245,000 alumni at the forefront of community life in Hong Kong, providing leadership in commerce and industry. In government, in education, and in the arts, sciences and culture. On the world scene, HKU has established a solid reputation as a premier international university and a member of the global family of universities. The University truly lives up to its motto: Sapientia et Virtus: Wisdom and Virtue.

**Immigration Arrangements for Non-Local Graduates (IANG)**

Non-local students who have graduated from a degree programme in a locally-accredited university in Hong Kong are eligible to remain in Hong Kong for an initial period of 12 months under IANG without other conditions of stay, and would be able to take up employment during this period. Those admitted under IANG may subsequently apply for extension of stay if they are employed or have secured an offer of employment.

**No Objection Letter (NOL) & Internship**

According to Hong Kong’s immigration regulations, a non-local student enrolled in a full-time locally-accredited degree with a study period not less than one academic year may take up a curricula-related internship endorsed by the institution where the student is enrolled.
